RESPONDENT’S PROFFER ON AWARD OF COMPENSATION

On April 21, 2020, Timothy Rawlings (“petitioner”) filed a petition for compensation under the National Childhood Vaccine Injury Act of 1986, 42 U.S.C. §§ 300aa-1 to -34 (“Vaccine Act” or “Act”), alleging that he suffered Guillain-Barré Syndrome (“GBS”) as a result of receiving an influenza (“flu”) vaccination administered on November 20, 2017. Petition at 1. On August 17, 2021, the Secretary of Health and Human Services (“respondent”) filed his Rule 4(c) Report conceding that petitioner is entitled to compensation in this case, concluding that petitioner suffered GBS following a flu vaccine he received on November 20, 2017. ECF No. 29. On August 17, 2021, the Chief Special Master issued a Ruling on Entitlement finding petitioner entitled to compensation. ECF No. 30.

I. Items of Compensation

A. Life Care Items

Respondent engaged life care planner Laura Fox, MSN, BSN, RN, CLCP, and petitioner engaged life care planner Roberta Hurley, Hurley Consulting, to provide an estimation of petitioner’s future vaccine-injury related needs. For the purposes of this proffer, the term

“vaccine related” is as described in the respondent’s Rule 4(c) Report. All items of compensation identified in the life care plan are supported by the evidence, and are illustrated by the chart entitled Appendix A: Items of Compensation for Timothy Rawlings, attached hereto as Tab A. Respondent proffers that petitioner should be awarded all items of compensation set forth in the life care plan and illustrated by the chart attached at Tab A.¹ Petitioner agrees.

B. Pain and Suffering

Respondent proffers that petitioner should be awarded \$106,500.00 in actual and projected pain and suffering. This amount reflects that any award for projected pain and suffering has been reduced to net present value. See 42 U.S.C. § 300aa-15(a)(4). Petitioner agrees.

C. Past Unreimbursable Expenses

Evidence supplied by petitioner documents his expenditure of past unreimbursable expenses related to his vaccine-related injury. Respondent proffers that petitioner should be awarded past unreimbursable expenses in the amount of \$540.00. Petitioner agrees.

D. Aetna Better Health of Kansas Medicaid Lien

Respondent proffers that Timothy Rawlings should be awarded funds to satisfy an Aetna Better Health of Kansas Medicaid Lien in the amount of \$2,062.23, which represents full satisfaction of any right of subrogation, assignment, claim, lien, or cause of action may have against any individual as a result of any Medicaid payments that Aetna Better Health of Kansas has made to or on behalf of Timothy Rawlings from the date of his eligibility for benefits

¹ The chart at Tab A illustrates the annual benefits provided by the life care plan. The annual benefit years run from the date of judgment up to the first anniversary of the date of judgment, and every year thereafter up to the anniversary of the date of judgment.

through the date of judgment in this case as a result of his vaccine-related injury suffered on or about November 20, 2017, under Title XIX of the Social Security Act.

II. Form of the Award

The parties recommend that the compensation provided to petitioner should be made through a combination of lump sum payments and future annuity payments as described below, and request that the Chief Special Master's decision and the Court's judgment award the following:²

A. A lump sum payment of \$126,239.58, representing compensation for life care expenses expected to be incurred during the first year after judgment (\$19,199.58), pain and suffering (\$106,500.00), and past unreimbursable expenses (\$540.00), in the form of a check payable to petitioner, Timothy Rawlings.

B. A lump sum payment of \$2,062.23, representing compensation for satisfaction of an Aetna Better Health of Kansas Medicaid lien, payable jointly to petitioner and

Attn: Teron Davis

Petitioner agrees to endorse this payment to the Equian.

C. An amount sufficient to purchase an annuity contract,³ subject to the conditions described below, that will provide payments for the life care items contained in the life care plan,

² Should petitioner die prior to entry of judgment, the parties reserve the right to move the Court for appropriate relief. In particular, respondent would oppose any award for future medical expenses, future lost earnings, and future pain and suffering.

³ In respondent's discretion, respondent may purchase one or more annuity contracts from one or more life insurance companies.

as illustrated by the chart at Tab A, attached hereto, paid to the life insurance company⁴ from which the annuity will be purchased.⁵ Compensation for Year Two (beginning on the first anniversary of the date of judgment) and all subsequent years shall be provided through respondent's purchase of an annuity, which annuity shall make payments directly to petitioner, Timothy Rawlings, only so long as petitioner is alive at the time a particular payment is due. At the Secretary's sole discretion, the periodic payments may be provided to petitioner in monthly, quarterly, annual or other installments. The "annual amounts" set forth in the chart at Tab A describe only the total yearly sum to be paid to petitioner and do not require that the payment be made in one annual installment.

1. Growth Rate

Respondent proffers that a four percent (4%) growth rate should be applied to all non-medical life care items, and a five percent (5%) growth rate should be applied to all medical life care items. Thus, the benefits illustrated in the chart at Tab A that are to be paid through annuity payments should grow as follows: four percent (4%) compounded annually from the date of

⁴ The Life Insurance Company must have a minimum of \$250,000,000 capital and surplus, exclusive of any mandatory security valuation reserve. The Life Insurance Company must have one of the following ratings from two of the following rating organizations:

- a. A.M. Best Company: A++, A+, A+g, A+p, A+r, or A+s;
- b. Moody's Investor Service Claims Paying Rating: Aa3, Aa2, Aa1, or Aaa;

judgment for non-medical items, and five percent (5%) compounded annually from the date of judgment for medical items. Petitioner agrees.

2. Life-contingent annuity

Petitioner will continue to receive the annuity payments from the Life Insurance Company only so long as he, Timothy Rawlings, is alive at the time that a particular payment is due. Written notice shall be provided to the Secretary of Health and Human Services and the Life Insurance Company within twenty (20) days of Timothy Rawlings's death.

3. Guardianship

Petitioner is a competent adult. Evidence of guardianship is not required in this case.
